

DERMAZENITH

ZO PIGMENT CONTROL PROGRAM

BENEFITS OF ZO PIGMENT CONTROL PROGRAM KIT

- Treats moderate to severe hyperpigmentation, especially melasma
- Treats severely dry, dull, rough and leathery textured skin to help restore a smooth, healthy glow
- Great to use as pre/post procedure skin conditioning to help maintain results longer
- Helps improve overall appearance and quality of skin
- This is Rx – please follow instructions as written

HOW TO USE ZO PIGMENT CONTROL PROGRAM KIT

- **CLEANSE: AM + PM:** Gentle Cleanser - Moisten hands with lukewarm water. Massage a small amount around damp face and neck. Rinse thoroughly.
- **EXFOLIATE: AM (2x/week):** Exfoliating Polish - Apply a small amount to damp face and neck. Gently massage skin in a circular motion, adding water as necessary. Rinse thoroughly. Use at least twice a week.
- **TONE: AM + PM:** Complexion Renewal Pads - Gently swipe one pad over entire face and neck.
- **PREVENT + CORRECT: AM or PM:** Daily Power Defense - Apply 2-3 pumps over entire face.
- **PREVENT + CORRECT: AM + PM:** Pigment Control Crème 4% HQ 2 pumps (mixed with next step)
- **PREVENT + CORRECT: AM + PM:** Pigment Control + Blending Crème 4% HQ 1 pump (mixed with above step)
- **RETINOL: PM:** Complex A+ - 4 pumps
